ABOUT US

Africa Mining & Resources Advisory is a leading African-focused advisory firm connecting global investors, buyers and industry partners to Africa's rich mineral resources, with a strong focus on gold and critical minerals.

We provide end-to-end advisory, due diligence, structuring and transaction support to ensure transparent, compliant and mutually beneficial engagements across the mining value chain.

Our team combines deep industry knowledge, regional expertise and global networks to unlock opportunities and create sustainable value for all stakeholders.

Our Vision

To be Africa's most trusted partner in mineral resources advisory.

Our Mission

To connect Africa's mineral wealth to global opportunities through integrity, expertise and partnerships.

Our Values

Integrity
Transparency
Professionalism
Sustainability
Partnership
